## Building Consents

Please note that if a Code Compliance Certificate has not been issued, it is strongly advised that the process is completed in order to confirm that the work is in compliance with the Building Code.

Application Date	BC Number	Proposal	Status	CCC Issue Date
02/02/2007	070127	Heating - Firenzo Lady Kitchener	Code Compliance Certificate Issued	14/08/2007
22/05/2002	020820	Alterations to existing dwelling	Code Compliance Certificate Issued	23/01/2004

## Compliance Schedule

No Compliance Schedule records are available for this property.

## Building Permits

The NZ Building Act came in to force on 1 July 1992. From that date, the issue of building permits ceased and they were replaced with building consents. Under the old permit system there was no requirement for Council to keep or provide records of building work. While Council generally holds records of permits issued, often little or no information is available regarding results of building inspections. Should an evaluation of the building be required, an independent qualified person should be consulted.

Date	Permit Number	Notes
28/05/1990	021526	Burner appliance
04/06/1968	A019306	New dwelling

## Building Notes

No additional building notes have been found for this property.

## Swimming Pools

No Swimming Pool records have been found for this property.

## Resource Consents

The following Resource Consents are noted against the property. Consents for water, discharges or coastal permits must be transferred to the person undertaking the activity. A fee will apply.

## Potential Lead Paint Contamination of Dwellings, Buildings & Land

Any specific information in relation to contamination will be contained in the HAIL part of the Property summary, otherwise the Council has no specific information in relation to this property.

Lead is a highly toxic substance that was a key ingredient in household paint. Any building or dwelling built before or during the 1960's is likely to have used lead-based paint at some time. Soil surrounding these buildings has potential to be contaminated by heavy metals contained in the paint. Landowners are responsible for ensuring the safe management of lead paint removal for protecting human health and the environment.

## Wetlands

Council has no record of wetlands on this property.

## Pest Inspection History

The Tasman-Nelson region has a Regional Pest Management Strategy for the control of declared pest plants, animals and organisms. The responsibility for the control of pests lies with the land occupier or owner. No pests have been recorded on this property.

## Significant Native Habitats

Council has been compiling biodiversity reports (also called Ecological Property Reports or reports on Significant Native Habitats) for the past eight years and where these exist they are available. However, no report has been lodged on this property.
