Building:

1. The Covenantor shall not construct, erect or place or permit to be constructed, erected or placed on the relevant Burdened Land (“the Property”):
 - a. Any building, structure or improvements without first obtaining the written approval of Wahanga 2017 Limited Partnership (“Wahanga”) (or its nominated representative) to the final building plans and specifications (and where appropriate, in the same form as intended to be submitted to the Territorial Authority for a building consent) and such specifications shall include full details of all exterior colour schemes and finishes and details of fences, driveways and front yard landscaping.
 - b. Wahanga’s approval shall be entirely at Wahanga’s discretion in all respects provided however that should Wahanga (or its nominated representative) fail to approve or disapprove such plans and specifications within 20 working days of receipt of the same, then it shall be deemed to have approved the same. The Grantor shall not apply for a building consent until such time as Wahanga’s approval, whether deemed or otherwise, has been obtained.
 - c. Wahanga shall be entitled to serve an injunction notice on the Grantor to cease all work if the Grantor shall commence any construction work without having first obtained the approval of Wahanga in accordance with this clause.
 - d. The obligation to obtain the approval of Wahanga (or its nominated representative) pursuant to this clause shall expire ten (10) years after the date of registration of the transfer of the Property by Wahanga to the Grantor, but shall not release the Grantor from its obligations to comply with these covenants.

 - i. Any building or structure that does not contain at least one roof break or one full valley in its roofline.
 - j. Any relocated, transportable, kit-set, prefabricated or used dwelling, building or structure provided that:
 - i. This restriction does not preclude any offsite assembly of building components such as trusses and framing;

- ii. One prefabricated (but not pre-used) garden shed which is adequately screened from neighbouring properties may be placed on the Property; and
 - iii. Builders sheds or other similar buildings required during construction of any dwelling may be placed on the Property during such construction, but must be removed on completion of such construction.
- k. Any dwelling, building or other structure with an external wall cladding of:
- i. galvanised iron, zincalume or metallic cladding material unless such cladding material has a proprietary coating system and the area of which does not exceed 20% of the total area of the external walls of the dwelling, building or other structure; or
 - ii. any sheet material (e.g. fibre cement sheet, Hardiplank or other Hardie sheet or Hardie cladding product) unless such material has a proprietary finishing system applied or is properly sealed and painted, and the area of which does not exceed 20% of the total area of the external walls of the dwelling, building or other structure; or
 - iii. any PVC, plastic or materials coated in PVC or plastic; or
 - iv. any pre-used building materials; or

- r. Any building that exceeds a height of six (6) metres above the ground level. For the purposes of this clause the height shall be measured between the highest point of the building and the ground level immediately below that point and the ground level shall be the level existing as at the date of the transfer of the Property from Wahanga.
- 2. The Covenantor shall complete construction of any building, structure or improvement on the Property within 12 months of commencing work on any such building, structure or improvement and the Covenantor shall not allow:
 - a. a period of more than three (3) months to elapse without substantial work being carried out once such work has commenced;
 - b. in the case of a dwelling, the dwelling to not be fully clad and roofed by the date that is five (5) months from the date the foundations for that dwelling are laid.
- 3.  - c. Allow the Property to become littered, overgrown or unsightly to the intent that the Property and adjacent berms shall be maintained in a neat and tidy condition (including not allowing grass to grow to a height greater than 100 millimetres), nor allow any noxious weeds (including gorse, blackberry or ragwort) to grow on the Property.
 - d. Except when building operations are in progress, allow any trade vehicle, trade equipment or materials, debris, rubbish or any vehicle of any unsightly nature to be brought onto or remain on the Property unless the same is adequately garaged or screened so as not to be visible to or to cause any

offence to neighbouring properties and to preserve the amenity of the subdivision.

Activity/Use of Property:

6. The Covenantor shall not occupy nor allow any dwelling constructed on the Property to be occupied until the dwelling has been completed in accordance with the requirements of the local authority nor will the Covenantor allow any temporary structures, vehicles, caravans, tents or other similar accommodation to be used for temporary residential purposes prior to the completion of the dwelling.
7. The Covenantor shall not store, or allow to be stored, any caravan, motor home, craft, trailer, recreational vehicle, trade vehicle or other equipment or machinery in front of the dwelling or within five (5) metres of the Property boundary or any road, unless the same is garaged or adequately screened so as to preserve the amenities and standard of the subdivision. 10. The Covenantor shall not carry out nor permit to be carried out on the Property any activity which does not comply with the Nelson City Council permitted activities in a Residential Zone provided however that this clause shall not apply to the use of the property for the purposes of a builders show home (and ancillary builders office) for a period of no more than three years from the date of completion of such show home.
11. The Covenantor shall not use or permit the use of the property for institutional residential purposes or as a hostel, lodge or boarding house. For the purposes of this clause "institutional residential purposes" shall include but not be limited to the use of the property for housing purposes by central or local government agencies or public or private health centre agencies, public or private retirement care providers or public or private educational providers.

15. The beneficiaries of the foregoing covenants shall have the power to require:

 - c. the replacement of any building materials used or permitted to be used in breach or non-observance of the restrictive covenants.
16. If any of the restrictions contained in these Restrictive Covenants shall be deemed to be unenforceable or void for any reason, then that particular provision shall be deemed to be deleted from the terms of these Restrictive Covenants to the intent that the balance of the covenants will remain unaffected and enforceable.
