20 Years

Agreement Term

Our solarZero Energy Services unlock the power of the sun to deliver cheaper, smarter, clean power locally from your own roof and create a smart connected energy efficient home.

The solarZero Promise\*

- You will save across the entire 20-year term.
- The fixed solarZero Monthly Energy Services Fee you pay us for our services will never increase, regardless of inflation, for 20 years.
- We will arrange Grid Electricity for you at price-competitive rates enabling us to meet the 20 Year Value Proposition for the energy you import and export each month (plus applicable lines or network charges and GST).
- We will cover all standard installation costs required to install the Energy Hardware at your Property and we warrant any roofing work undertaken.
- We warrant, insure, maintain and repair the Energy Hardware.
- If you sell your home during the term of this Agreement we guarantee that, subject to our usual credit checks and on-boarding procedures, the new purchaser will qualify to receive the solarZero Energy Services under this Agreement.
- We will remove the Energy Hardware at the end of the term free of charge.
- As a solarZero customer you're helping accelerate New Zealand's transition to a clean energy future. Each month we'll credit your account with an Eco Bonus in recognition of the value that we think solar and battery storage plays in supporting clean, reliable energy for New Zealand.
- You are free to cancel any time up to 10 working days prior to installation, at no charge.

\* Subject to all terms and conditions of this Agreement
