Zone	Zone Description
Rural 1	The Rural 1 Zone contains the small area of the District's land which has the highest productive value. In general, this land is suited to a wide range of uses including intensive soil-based production. Rules for subdivision and development primarily protect the productive land value on a long-term basis.
Rural 3	The Rural 3 Zone covers a specific part of the Coastal Tasman Area. This area contains some land of high productive value, generally the more coastal areas, as well as land of lesser protective value, generally the more inland areas. The Rural 3 Zone rules have been developed to accommodate a level of rural residential development while still protecting the most productive land.
