### Building Consents

Please note that if a Code Compliance Certificate has not been issued, it is strongly advised that the process is completed in order to confirm that the work is in compliance with the Building Code.

Application Date	BC Number	Proposal	Status	CCC Issue Date
19/12/2008	081500	3 bedroom with internal access garage and separate garage/shed	Code Compliance Certificate Issued	14/10/2009

### Compliance Schedule

No Compliance Schedule records are available for this property.

### Building Permits

The NZ Building Act came in to force on 1 July 1992. From that date, the issue of building permits ceased and they were replaced with building consents. Under the old permit system there was no requirement for Council to keep or provide records of building work. While Council generally holds records of permits issued, often little or no information is available regarding results of building inspections. Should an evaluation of the building be required, an independent qualified person should be consulted.

Date	Permit Number	Subject	Notes
		BC80	Discretionary exemption granted under BA04 Schedule 1(2) from the requirement to obtain building consent to build an Archgola at 5 McRae Street Wakefield.

### Swimming Pools

No Swimming Pool records have been found for this property.

### Resource Consents

No Resource Consent records are on record for this property.

### Planning Permits

No historical planning permits have been found for this property.

### Works and Land Entry Agreements

No Works and land Entry Agreement has been found for this property.

This information has been compiled from Tasman District Council records and is made available in good faith, but its accuracy or completeness is not guaranteed.

### **Environmental Health and Licences**

No Environmental Health or Licence information has been found for this property.

### **Air Shed**

This property does not sit within a controlled Air Shed.

### **Hazardous Activities and Industries List (HAIL)**

No verified HAIL site has been found for this property. However, if the site or any adjacent site has been used for industrial, horticultural or agricultural purposes in the past, we suggest you make further enquiries.

### **Wetlands**

Council has no record of wetlands on this property.

### **Pest Inspection History**

The Tasman-Nelson region has a Regional Pest Management Strategy for the control of declared pest plants, animals and organisms. The responsibility for the control of pests lies with the land occupier or owner. No pests have been recorded on this property.

### **Significant Native Habitats**

Council has been compiling biodiversity reports (also called Ecological Property Reports or reports on Significant Native Habitats) for the past eight years and where these exist they are available. However, no report has been lodged on this property.
