Building Permits

The NZ Building Act came in to force on 1 July 1992. From that date, the issue of building permits ceased and they were replaced with building consents. Under the old permit system there was no requirement for Council to keep or provide records of building work. While Council generally holds records of permits issued, often little or no information is available regarding results of building inspections. Should an evaluation of the building be required, an independent qualified person should be consulted.

| Date | Permit Number | Subject | Notes |
|------------|---------------|---------------------------|-------|
| 11/01/1982 | K028498 | Install swimming pool | |
| 17/08/1978 | H33694 | Alter dwelling - bathroom | |

Pest Inspection History

The Tasman-Nelson region has a Regional Pest Management Strategy for the control of declared pest plants, animals and organisms. The responsibility for the control of pests lies with the land occupier or owner. If you intend purchasing a property within Tasman District, Council recommends you seek advice from the vendor about Pest Management Notices that may have been served. This property has a record of the following pest inspections. For further information, please contact Council's Biosecurity team.

| X Location | Y Location | Pest | Date | Status at time of inspection |
